Subject Brownfield Successes - New Story Map!

The Contaminated Site Remediation & Redevelopment's (CSRR's) Office of Brownfield & Community Revitalization (OBCR) is excited to announce the [Brownfield Success Stories ARCGIS Story Map](#). The Story Map uses interactive maps and a multimedia driven narrative to highlight key programs including the Hazardous Discharge Site Remediation Fund Program, Brownfield Development Area Program, and Landfill Development Program. The Story Map provides information and resources to assist the regulated community and showcases some of the notable site remediation and redevelopment projects managed in OBCR.

Learn more about brownfield redevelopment by visiting: <https://dep.nj.gov/srp/brownfields/>.

The New Jersey Department of Environmental Protection is dedicated to protecting New Jersey's environment and public health. The agency prioritizes addressing climate change, protecting New Jersey's water, revitalizing its communities and managing and promoting its natural and historic resources.
